

Flu Buddy Form

If you're feeling under the weather, don't come to the dining halls! You should get rest and make sure you don't spread your flu germs all over the place. Don't worry, we don't want to leave you starving – if you can't come to the dining halls because of the flu, designate a Flu Buddy. **A Flu Buddy is someone who DOES NOT show flu symptoms and can pick up your meals for you.**

Your flu buddy must be on a meal plan of their own, and they will need to swipe their ECU One Card to gain entrance to the Dining Hall to get your meal; your account will be charged for your meal that they are pick up for you.

Print and fill out this form for your Flu Buddy to bring to the dining hall (This form will be good for 72 hours)
